SHOW and SALE

Red Oak

March 8, 1948

A PERSONAL INVITATION FROM THE CONSIGNORS

The producers of Shorthorns and Polled Shorthorns throughout Southwestern Iowa extend you a cordial invitation to attend our Shorthorn and Polled Shorthorn Show and Sale on Monday, March 8, 1948 at the Red Oak Auction Company, Red Oak, Iowa. We are extremely proud of our offering—females of exceptional blood lines and impressive bulls.

We are proud to be engaged in the production of Shorthorn cattle. Our great state of Iowa is the leader in this industry.

The cattle offered have been consigned by responsible producers within Southwest Iowa. These herds have been in operation for many years. Their cattle are healthy. They are prolific. They comprise outstanding bulls and females of the Shorthorn breed.

We will welcome as our guests, breeders of Shorthorn cattle, members of 4-H clubs, farmers, ranchers, bankers, business and professional men and ladies. You will enjoy the show. You will find the individuals you need whether for herd improvement or for foundation purposes.

GENERAL INFORMATION

TIME—Monday, March 8, 1948. Show will start at 10:00 a.m. Sale will commence at 1:00 p.m.

LOCATION—The show and sale will be held at the Red Oak Auction Company, Red Oak, Iowa, through the courtesy of Mervin Ballard, manager.

The facilities of the Red Oak Auction Company are excellent. They have plenty of parking space for trucks and cars, nice roomy stalls for cattle. The sale pavilion is well ventilated and lighted, most convenient for buyers and owners—everyone interested in better cattle.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to serve until 16 months old or run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good a condition as when bought, and if, after a test in the seller's herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at time of sale are guaranteed to be breeders. Animals returned to seller because they do not comply with the guarantee will be at the buyer's cost of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager nor the clerk of this sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each lot sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignor or written from information supplied by the consignor.

MAIL BIDS—Those wishing to buy at this sale who cannot attend in person may send their bids to the Sale Manager or to Jack Halsey, the Auctioneer, Mervin Aegerter of the Shorthorn World, Clem Larson, Fieldman for the American Shorthorn Breeders' Association, Roy A. Gilman, Fieldman for the Iowa Shorthorn Breeders' Association, Jack Miller, Fieldman for the Journal Stockman, or Matt White, Field Representative for Wallace's Farmer, all of these men in care of the Sale Manager who will see that they are delivered to the parties whom are entrusted with your order. Any of these men are qualified to know good cattle. Your order sent to them will be carefully and honestly taken care of.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

BROWNDAL E DOUGLAS 10th 2457854 is a dark red, extremely short-legged, deep bodied, rugged calf. The Lady Douglas family is the best family I ever had. His dam is a typy daughter of Helfred Outlook. His sire is a very dark red, extremely short-legged blocky bull.

Creep-fed calves should have plenty of whole oats or shelled corn in the creep.

Where the Scotch blood lines are the best.

Where pedigrees and health certificates are delivered promptly.

Where the individuals are of top quality and in splendid condition.

Where every consignment is backed by a reliable producer and where the sales management functions on the basis that—

"If buyers secure courteous treatment and profitable cattle the sellers are always going to find the most satisfactory market."

Unmatched Buying Opportunity

None of the cattle in this sale have been pampered and none are offered in exceptional high flesh. If you are blessed with the ability to judge a good individual and a profitable producer in everyday working clothes, here's the place for you to invest.

Remember—this sale is packed with cows that have calves at foot and females that will calf soon after sale date.

And remember also—never has it been so important to have a good bull at the head of your herd—a bull with a real background.

These bulls are qualified to bring you everlasting satisfaction and success with Shorthorns.

BLANCHE MARDALE JUNE x2457858 is a very good dark roan heifer, a granddaughter of Imp. Bapton Major. Is not fat but in good breeding condition as we were not planning on selling her and just decided to sell her as we are short on pasture. Her dam is our best producing cow and an extra good milk cow. Pretested and vaccinated for Bangs.

Proper feeding of the pregnant cow or heifer is important in assuring a strong, husky calf at birth.
